

David Tilney

David Tilney has been involved in the real estate business since 1978. He first “failed” into managing houses in 1981 while acting as a buyer’s broker. He has invested in rentals, notes, foreclosures, tax sales, IRS liens and leasehold interests. David has become the “go to” guy for management of single family homes and loves being a landlord. He looks forward to hearing from his tenants, but often feels like the Maytag repairman who rarely gets a call. David and Mary, his wife of 39 years, winter in Naples FL and summer in Colorado Springs. They manage their own portfolio of rental houses with no employees. David believes that real estate is not a get rich quick business, but a business that can sustain both you and your heirs if you work hard and take calculated risks.
